## CLASSIC

The original No-Toil Air filter oil, with an alcohol carrier, is a super-tacky, dirt-grabbing, water-resistant filter oil. It will not wash out with gas, solvents or water alone. But, you'll be amazed at how quickly and easily your filter will come completely clean with the high concentrated No-Toil Air Filter Cleaner and water.

16 oz. Bottle	NT201
12 oz. Aerosol Can	NT202
64 oz. Bottle	NT218

## EVOLUTION

Evolution Air filter oil has all the great dirt stopping tackiness and high air flow characteristics as the original No-Toil Filter Oil, but without the alcohol. Evolution is compatible with any brand air filter and, without the alcohol solvent, the foam element will last longer and glue seams won't delaminate. Evolution is compatible with the original No-Toil Filter Cleaner and cleans amazingly quick and easy.

16 oz. Bottle	EV101
64 oz. Bottle	EV118

## CLEANER

No-Toil Air filter cleaner is the only thing that will get out the No-Toil Filter oils. Dissolve the cleaner in warm water and agitate your dirty filter. It's that easy. Our Air Box Cleaner is the best for cleaning the dirtiest of air boxes. Spray, wait 30 seconds, wipe out, done.

16 oz. Filter Cleaner Bottle	NT03
64 oz. Filter Cleaner Bottle	NT20
16 oz. Air Box Cleaner Bottle	NT30

## RIM GREASE

No-Toil Rim Grease is a high viscosity, non-petroleum based compound specially engineered to provide the ultimate in sealing the air gap between the filter rim and flange. Designed to withstand up to 300 degrees F, it remains waterproof and dust-proof, keeping the dirt out of your engine.

4 oz. tube	NT05
16 oz. tub	NT06

## KITS

We're into "easy"... we're into "not toiling," so we took the oil chemical products and packaged it together to make a maintenance kit so you can get all the products you need in one grab.

Classic 2-Pack	NT204
Classic 3-Pack	NT209
Classic 2-Pack Aerosol	NT208
Classic 3-Pack Aerosol	NT207
Evolution 2-Pack	EV104
Evolution 3-Pack	EV109

We manufacture the worlds best 2-stage foam air filters. Using only the best flame-laminated, dual-layer foam bonded with the highest quality glue, we hand make each foam filter to stand up to the roughest and toughest of any style of riding or terrain. These filters, used with No-Toil foam filter oil, provide the best air filtration system in the world!

A high quality, 2-stage foam air filter that is pre-treated with No-Toil Evolution biodegradable filter oil. It is perfectly oiled and ready to use right out of the bag. It is built with our high quality standards and has a 1 year warranty. This is not a cheap, Chinese-made filter. Applications for most current dirt bikes and ATV's. Gloves included for hassle free installation. The best filter at the best price.

# PRE-OILED AIR FILTERS

# SUPER-FLO KIT

Developed to increase performance and throttle response, the Super-Flo Kit is a complete replacement for your OEM filter and cage assembly. Included in the Super-Flo Kit is a super-strong, high-density polymer filter cage with no backfire screen that will allow the maximum amount of air to flow freely to the intake. Included, is a top quality, 2-stage, FLAME RESISTANT, foam air filter. The foam is specially treated to resist flames and sparks and will not hold a flame, so this filter won't burn. We replace that OEM filter cage screw, with the all new No-Toil "Filter Cage Screw Thingy", that provides maximum holding power with user-friendly ergonomics.

# AIR BOX COVERS

In order to properly clean an air box, you need to remove your air filter and clean the whole air box with cleansers and water. We make this air box cover out of a hard, composite material that completely covers your air intake and won't allow any liquids to penetrate to your intake. The contact point on the air box cover has a strip of soft rubber that creates an impermeable seal. Simply remove your air filter and install your air box cover. Your air box is now ready for cleaning with No-Toil Air Box Cleaner. Also all of Air Box Covers now come with a bonus Exhaust plug at not extra cost.
